Career Objective

To build a rewarding career in Electronics and Communication Engineering by applying my knowledge of embedded systems, IoT, PCB designing and emerging technologies, while gaining practical industry experience, contributing to innovative projects, and continuously enhancing my technical and professional skills.

Projects Done

Automated Paralysis Patient Health Care System

Developed an automated healthcare system using embedded technology to assist in patient monitoring. The project focuses on providing automated support and improving patient care.

Smart Road Safety and Vehicle Accident Prevention System for Mountain Roads

Developed a sensor-based system to identify unsafe road and environmental conditions. The system provides alerts to improve safety and reduce accident risks on mountain roads.

Co-curricular Activities

- Participated in technical workshops, seminars and training programs.
- Participated in project presentations and departmental activities.

Academic Profile

B.E. (ECE) – Guru Nanak Dev Engineering College, Bidar, VTU – 6.73 CGPA, 2027

PUC – Shree Maate Manikeshwari PU College – 81% , 2023

CBSE – Shree Siddharoodh Public School – 68% , 2021

Computer Literacy

Programming: C, C++, Python

Embedded Systems: Arduino, ESP32, Embedded Systems, IoT

PCB Designing: PCB Designing, KiCad

Software: MS Word, MS Excel, MS PowerPoint, MATLAB

Other: VLSI, AI Tools

Additional Certifications

- Paper Presentation (NCEEICT-2025) – Sonic Navigator: Ultrasonic Glasses for Blind Navigation | May 2025
- International Workshop on AI, Robotics & Machine Learning | December 2024
- Hands-on Training in 3D Printing | June 2024
- Basic Computer Course – A+ Grade | January 2024
- Certified Secure Software Lifecycle Professional (CSSLP) 2019: Security Architecture – Infosys | May 2026

Achievements

- Third Prize in Cultural Performance – School-level cultural event.
- Prathibha Karanji – Cultural Participation/Performance at the district-level event.
- Participation in Janapada Sammelana Cultural Programme, Ministry of Culture, New Delhi.

Personal Strengths

Creative Thinker, Quick Learner, Adaptable, Self-Motivated, Problem Solver, Initiative-Taker, Confident Communicator, Responsible, Team-Oriented, Positive-Minded, Open to Challenges and Continuous Learner.

Regional Language

English, Hindi, Kannada, Telugu
